Benefit Nights

We believe strongly in supporting the community in which we live and work. That is why Westbrook Lobster sponsors benefits for non-profit organizations including schools, churches, retirement communities, and fund-raisers. These benefits have been very successful and are a true “win-win” situation for everyone. Here are a few simple steps for having a special day at Westbrook Lobster:

1. Organize your group so you can pick your night early. These nights are very popular and the calendar fills up fast.
2. Pick any Monday or Tuesday. Our management staff will assist you with selecting an available date that is convenient for your group.
3. Confirm the date by calling Michael Lariviere @ Westbrook Lobster at 203-265-5071. We will need the name, address, and telephone number of the contact person and the group name.
1. Promote your benefit, and tell everyone the date of your event. Get family, friends, neighbors, business associates, etc. to eat at the restaurant on your day. Inform your patrons to let our staff know you are here for your specific benefit. You will receive 15% of the sales from the people from your benefit who dine with us. As a result, the more people who come, the more money you make! In an effort to be sensitive to our other guests we cannot allow signs or soliciting at the restaurant.
2. Within ten (10) days of your event, a check will be waiting for you to pick up.

These nights have been successful because they are a true “win-win”. The group wins by raising money for their cause. Westbrook Lobster wins by supporting our guests charities and gaining new guests. Please give us a call so we can set a special night for you and your group. We look forward to working with you and learning more about your organization.
